

Paint Supply List for Abstract/Expressionistic Class

Bring you favorite supplies of paints and colors – oil, acrylic, watercolor or pastels

Bring the canvas or paper you will use. Make it a large surface - at least 16x20. I recommend bringing at least two.

Bring you largest brushes or even one or two for house painting if you only have small ones.

Bring several good size palette knives, scrapers or any tools you have for mixing your paint, pushing paint around or marking through it.

Bring a medium if you wish.

Bring paper towels and/or rags.

You may want to gesso your surface and or tone it before class if you are using canvas.

You might look at work by your favorite abstract painters, search Pinterest or art magazines for inspiration or just look around you and outdoors.

Most important is to bring you playful, experimental nature to class!
