

FLUID ACRYLIC CLASSES

Instructor - Judy Adamick

This is a "Fluid" Acrylic class as opposed to tubed acrylics. The colors are much brighter.

Five canvas panels 16 x 20 or larger

Photos of animals or pets

Brushes: 1 " Flat Acrylic Brush

#8 Round Acrylic Brush and a size close enough
sm. Brush with fine point for detail and signature.

FLUID LIQUITEX Acrylic Paints in primary colors. These Soft Body Acrylics are highly intense with color and have a consistency similar to heavy cream.

Burnt Umber

Burnt Sienna

French Ultramarine Blue

Cadmium Red

Yellow Ochre

Lemon Yellow

and any other colors you would prefer, try some pretty pastel colors

Palette

Water container

pencil, eraser, scissors, ruler

The Arts Center provides table easels and standing easels.

This is an intermediate class and students will be working with their own photos of animals and flowers, incorporating both with emphasis on composition. There will also be a still life arrangement in the classroom for inspiration.

photos4artists is an on-line site offered freely by photographers where you can glean images without worries of copyright infringements.
